

FAME is not just a name.
It's an aspiration to be class
apart in everything we do.
Our aspiration makes us
hungry; hungry to do more, to
do better, and to do what no
one does and thinks.

What do we bring to the table?

Every sweetshop offers sweets, every school offers education but you don't just go to any shop or school. You choose the one who goes the extra mile to bring you the best. That's what we believe in, we leave no stone unturned in bringing you the best.

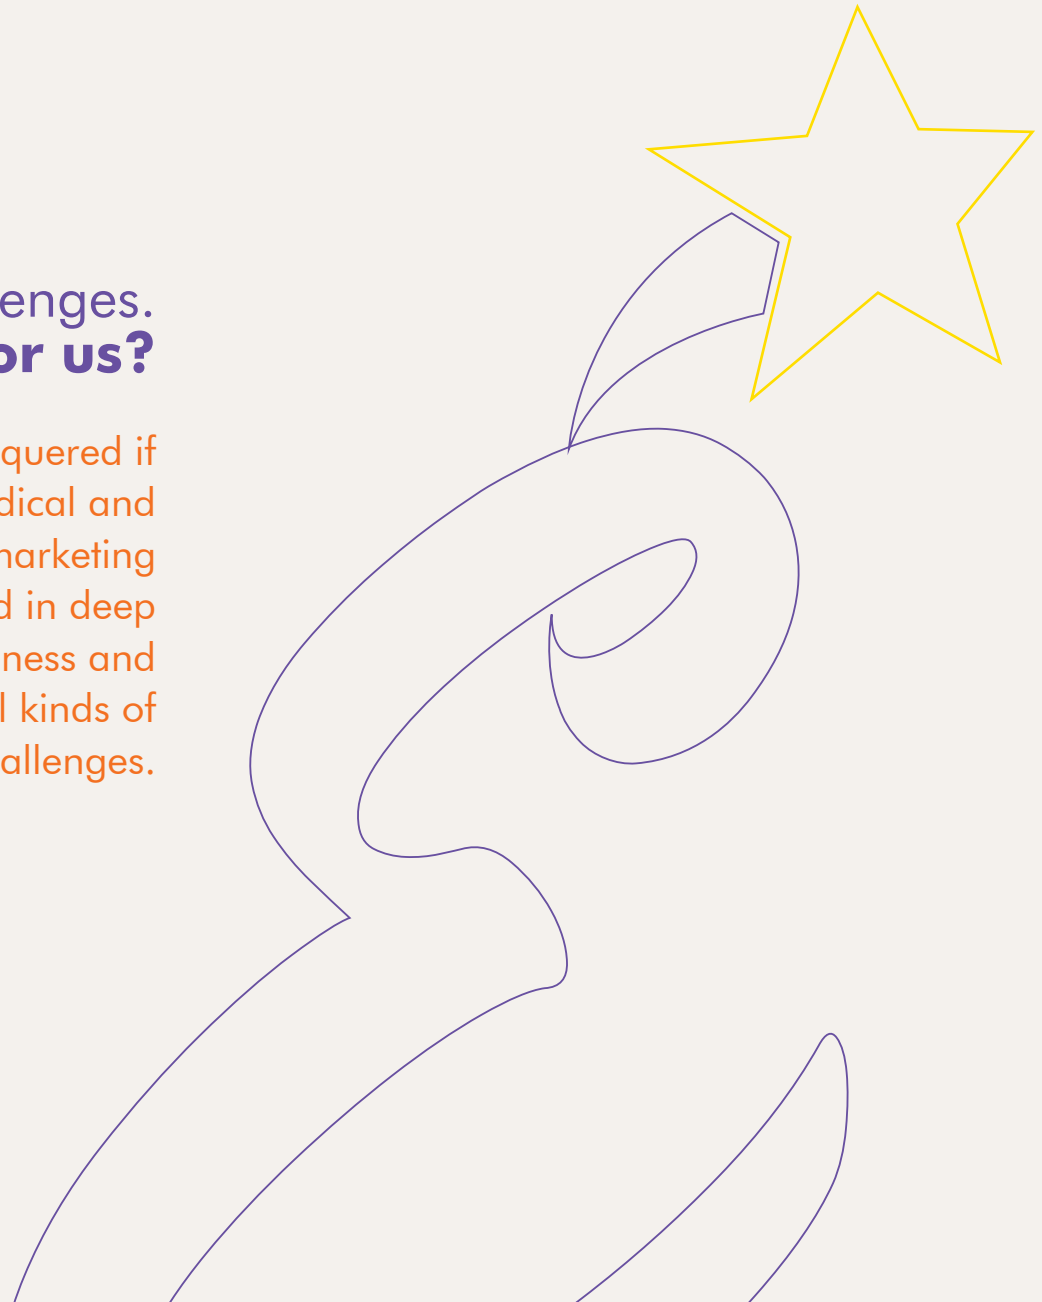

What all we offer?

All your marketing needs, you name it and we would do it.

Fame specializes in Branding, Positioning, Packaging designs, Logo Designs, Press ads, Point of Purchase - Designing and Printing, 360 degree communication Package - (TV, Print, Radio and Social Media).

We like to take challenges.
Do you have any for us?

Any challenge can be conquered if your approach is methodical and focused. Fame provides marketing solutions rooted in deep understanding of your business and helps you win over all kinds of marketing challenges.

F FOUNDER

Sarthak J. Sawant

B.F.A.(Applied ART)

FAME Brand Solutions is founded by Mr. Sarthak J. Sawant, a thorough creative person having over 15 yrs. of experience with major advertising agencies in India. He served as Creative Consultant in Hats On Advertising, as well as Associate Creative Director RayAdcomn Advertising and as a Group Art Head in McCann Health, Associated Advertising and Publicis Life Brands.

Apart from these, Sarthak has worked at leadership positions in many key pharma advertising agencies in India such as Point Blank India, Oxygen Healthcare and Brand Care Healthcare Pvt Ltd.

Sarthak's advertising journey is a good mix of Pharma and Mainline advertising. He has handled quite a few big advertising campaigns all by himself. And that is what makes him the right person to go to for all kinds of marketing solutions. Sarthak is a Bachelor of Fine Arts from Mumbai University with specialization in photography. His work got recognition from many prestigious awards such as Clio, Global and Rx awards.

While he was witnessing the evolving trends of branding and strategic market planning he realised that its time...

it's time to start initiating the change.

It's time to start embracing the challenges.

It's time to start setting free imagination.

It's time to start up...

An agency to bestow the head start that every brand deserves to thrive in challenging marketing conditions of the present time.
